CAMILA

"Fardis exquisite Paradise collection is characterised by illustrations of nature that have a healing effect on the body and soul. Its blend of botanical and floral drawings, together with a serene palette of pastels, adds ethereal elements of surprise to both residential and high-end commercial interiors. The new Camila depicts an orchard of flora adorned with graceful flying birds that truly transport you away to utopia. Soft accents of Sunlit Yellows, Salmon Pinks and Leafy Greens create lifelike colour stories for any design scheme. For further information please contact customer services on 0333 240 9045"
